Future Meeting Dates

1. Members of the Joint Waste Committee (JWC) will be aware that there are currently no dates set for future 2018 meetings of the Committee.
2. Due to the fact that each Partner authority tends to publish their timetables of meetings at different times of the year, covering different periods (i.e. some cover a calendar year, some cover a municipal year), the approach has been taken to 'set' dates in advance of all Partner authorities' timetables of meetings being available for 2018.
3. In order to avoid any other meetings of the Partner authorities the JWC has previously tended to meet on a Friday. Following the pattern of previous years, it is proposed for the JWC to meet in the months of March, June and November for 2018 as follows:
 - 16 March, to be held at 2:00pm, Town Hall, Bexhill;
 - 8 June, to be held at 2:00pm, Muriel Matters House, Hastings; and
 - 9 November, to be held at 2:00pm, Town Hall, Eastbourne.

Location

4. In accordance with the JWC's Constitution, venues for meetings have always been rotated around the partner authorities; it is proposed for this arrangement to continue for future meetings. It is reminded that if the JWC agree to continue to meet on Fridays, meetings will not be able to take place at the Wealden District Council offices in Hailsham as these meeting facilities are reserved for community use on Fridays.
