Oral Question to Councillor Bayliss from Councillor Osborne

Oral Question

Re: Closure of Pontins at Camber Sands

Can the Cabinet Member for Regeneration and Economic Development reassure local Ward Members in Eastern Rother and Rye that following the closure of Pontins in Camber Sands the Council will remain in contact with Britannia Hotels and either encourage or work towards a solution to what could be a very serious issue with a large site becoming derelict and unused.

Whilst it is not the in the best of condition, Pontins has provided cheap holidays for many visitors and their spend helps the local economy in both Camber and Rye.
