“This Council responds to East Sussex County Council’s consultation on Children’s Services Early Help Draft Strategy 2020-2023 and objects to the proposals to:

- a. withdraw the subsidy and to no longer provide the Cygnets (Egerton Park) and Rainbow (Sidley) nurseries in Bexhill;
- b. encourage expressions of interest from other nursery providers to operate in these children’s centres (privatise); and
- c. relocate children’s services currently delivered from the Children’s Centre in Egerton Park, Bexhill to Sidley Children’s and Youth Centre.

Rother District Council object on the basis that these services support the Council’s core aim to provide ‘Stronger, Safer Communities’; and the broad outline ‘addressing deprivation and welfare needs’, and in particular, that the proposal to withdraw subsidised nursery places, places a barrier to work for families in the most deprived wards in East Sussex.”

The Council is asked to consider recommendations arising from the Cabinet meetings held on 3 June, 1 and 8 July 2019, as set out below.

**CABINET – 3 June 2019****CB19/04. RECOMMENDATIONS OF THE TOURISM TASK AND FINISH GROUP - DRAFT VISITOR ECONOMY CHAPTER OF THE ECONOMIC REGENERATION STRATEGY**

Cabinet received and considered Minute OSC18/52 arising from the meeting of the Overview and Scrutiny Committee (OSC) held on 29 April 2019 that had considered the final recommendations of the Tourism Task and Finish Group (TT&FG). The OSC had appointed the TT&FG to undertake a scrutiny review of the Council's tourism activities.

The TT&FG had undertaken a thorough and comprehensive review by way of officer presentations and reports and presentations from relevant external organisations / stakeholders. The review had focused on various aspects of the visitor economy, as well as updating the Visitor Economy Chapter of the Council's Economic Regeneration Strategy, as attached at Appendix A to the report. The work of the TT&FG culminated in the identification of eight main recommendations, which included improvements in marketing, visitor information, research, accommodation, events, strategic / partnership working, budget and funding and sharing economy. It was also acknowledged that the Council's capacity and priorities were of necessity shaped by the resources at its disposal; and that the Council had to target its activity at those areas where it could have the greatest impact.

During the debate the following points were noted:

- Questions were raised regarding what services were provided by 1066 Country and the geographical area it covered. Cabinet was advised that 1066 covered the whole of the Rother District, Hastings Borough and Eastern Wealden District including Hertsmonceux and Pevensey. Members were encouraged to view 1066 Country's website <https://www.visit1066country.com/>. Further information was available from the Regeneration Team.
- Members queried what services Brochure Connect provided. It was confirmed that three Tourist Information Points (TIPs,) located within each of the main towns in the district were supported by the

UPDATED 4 JULY 2019

service, with a further network of 32 Local Information Points (LIPs). They circulated and distributed all tourism literature across the district. A suggestion was proposed that all literature be delivered to the Parish and Town Council Clerks to ensure maximum coverage, particularly across the rural areas.

- It was considered important that stringent Key Performance Indicators were linked to the Economic Regeneration Strategy, monitored by the Lead Member for Public Realm, Culture and Tourism and reported to the OSC.
- All organisations be made aware of the current policy and guidelines for the allocation of event funding.

Several amendments were proposed to the recommendations, as follows:

- 1) i. to remove the wording “three year” and include the words “to be reviewed annually” at the end of the sentence.
- 1) iii. be changed from annual to “6 monthly” basis. Cabinet was reminded that the OSC set their own Work Programme, therefore it would up to the Committee to review this, subject to the commitments of their Work Programme.
- 1) viii. to remove the word “available” and replace with “promoted”.
- By the inclusion of “toilets” to paragraph 6 of section “As a service provider and legislator” after the word museums of Appendix A – Draft Visitor Economy Chapter to the Council’s Economic Regeneration Strategy.

An amendment was proposed to the Cabinet Portfolios, namely Public Realm to be removed from Environment and Transport and added to Culture and Tourism. The Leader confirmed his agreement to this amendment.

Members requested that 1066 Country be invited to present at a future full Council meeting to advise Members of the services they provided.

Cabinet was pleased to endorse and recommend the draft Visitor Economy Chapter of the Economic Regeneration Strategy with the above suggested amendments which detailed how the Council would deliver and support tourism activities.

**RECOMMENDED:** That the draft Visitor Economy Chapter of the Economic Regeneration Strategy attached at Appendix A be approved and adopted as amended, to include reference to Skills East Sussex and Parish Councils.

Cabinet also **RESOLVED** the following recommendations of the Tourism Task and Finish Group be approved:

- 1) **Marketing Recommendations:**
  - i. The Council enters into a funding agreement with the 1066 Country Partnership at the present level of £50,000 per

- annum, subject to a commitment to increasing private sector contributions year on year to be reviewed annually.
- ii. The Council's Lead Member for Public Realm, Culture and Tourism continues to work alongside officers to monitor the 1066 Country Partnership and contribute to monitoring and refreshing the Partnership's marketing strategy ensuring due consideration is paid to the highlighted markets.
  - iii. The Council's Lead Member for Public Realm, Culture and Tourism to report to the Overview and Scrutiny Committee on a 6-monthly basis on the performance of the 1066 Partnership, as and when appropriate.

**Visitor Information Recommendations:**

- iv. The visitor information services contract be reviewed and a report and recommendations be brought to Overview and Scrutiny Committee by June 2020, in time to re-tender the service prior to expiry of the current contract in March 2021.
- v. Officers explore the option to widen the procurement to encompass the whole of 1066 Country.

**Research Recommendations:**

- vi. The Council, with Partners, continues to support visitor research to inform future decision making.

**Accommodation Recommendations:**

- vii. Officers continue to work with developers and landowners to encourage the development of more serviced accommodation in the district, particularly in Bexhill, in accordance with Local Plan policies and Corporate Plan objectives.

**Events Recommendations:**

- viii. The Council consolidates the visitor events funding into a single programme that is promoted to organisations and event promoters from across the whole of the district.
- ix. The current policy and guidelines for the allocation of event funding be revised as follows:
  - a) two bidding rounds of funding to be offered in each financial year, in March and September;
  - b) weightings to be introduced within a scoring system for funding applications, with a greater weighting awarded to those events planned for shoulder-season;
  - c) Council funding to be awarded to event organisers who can show growth within their event to increase visitor numbers to the district and add to the local economy; and
  - d) consideration be given to partnership funding for events from East Sussex County Council and / or from Parish and Town Councils.

The new arrangements to come into effect from 1 April 2020.

- x. Council owned Car Parks should only be used as venues for events when it is considered absolutely necessary for the functioning of the event.

**Strategic / Partnership Working Recommendations:**

- xi. The Council continues to work with local, regional and national partners to develop, deliver and promote tourism projects and programmes relating to the visitor economy and cultural tourism.
- xii. The Council to work with Skills East Sussex and local education providers to promote opportunities for careers in the tourism sector.

**Budget and Funding Recommendations:**

- xiii. Officers continue to explore opportunities to attract external funding in support of the visitor economy in recognition of a finite budget and pressures on the Council's finances. Any savings made within the tourism budget to be allocated back into tourism and directed towards events.
- xiv. Consideration be given to increasing the tourism budget in future years by the rate of inflation.
- xv. The Chambers of Commerce in Battle, Bexhill and Rye, and any other interested parties, be invited to meet with the Lead Member for Public Realm, Culture and Tourism to explore their interest in developing Business Improvements Districts in their locality.

**Sharing Economy Recommendations:**

- xvi. The Council lobbies with partners for greater regulation of the sharing economy, with a preference for a self-regulating scheme.
- xvii. The Council consider what resources would be required with the introduction of a statutory registration scheme for tourism accommodation, to be offset by registration charges and report back to the Licensing and General Purposes Committee.
- xviii. The Council offers support to businesses to capitalise on new media platforms, including shared economy platforms and how to adapt and diversify their product with partners.
- xix. A promotional campaign to be developed to ensure tourism accommodation property owners are aware of their responsibilities and obligations.
- xx. The costs of business support and the promotional campaign to be met from the existing tourism budget.
- xxi. The use of sharing economy platforms be acknowledged across the district through the 1066 Country campaign, but

property owners be required to comply with legislation in order to register.

- 2) the Tourism Task and Finish Group, having fulfilled its Terms of Reference, be dissolved; and
- 3) 1066 Country be invited to present at a future full Council meeting to advise Members of the services they provided.

(Councillor Vine-Hall declared a personal interest in this matter as he owned and ran a holiday let and in accordance with the Members' Code of Conduct remained in the room during the consideration thereof).

## **CABINET – 1 July 2019**

### **CB19/12. TREASURY MANAGEMENT UPDATE**

In February 2019, Cabinet formally approved the Council's 2019/20 Treasury Management Strategy Statement and Annual Investment Strategy, attached at Appendices A and B to the report. To manage its treasury management activities, the Council followed the Chartered Institute of Public Finance and Accountancy's (CIPFA) Code of Practice on Treasury Management (revised 2017).

The Council was required to operate a balanced budget, which meant cash raised during the year met expenditure. Functions of treasury management included adequately planned short and long term cash flow, as well as funding capital plans. The contribution the treasury management function made to the authority was critical, as the balance of debt and investment operations ensured liquidity or the ability to meet spending commitments on day-to-day revenue or large capital projects. Therefore it was paramount to ensure adequate security of investments, as a loss of principal would result in loss to the General Fund.

The Treasury Strategy set the external debt (borrowing) limits for the Council, which took into account short and long term requirements. The Council's capital expenditure plans were the key driver for setting these limits, namely the operational boundary (the limit beyond which external debt was not normally expected to exceed); and the authorised limit for external debt (maximum level of borrowing).

The report detailed the revised / increased capital expenditure plans / limits, particularly in relation to the property investment strategy and potential investments. These changes ensured that the Council's treasury management and investments remained robust in managing the Council's cash funds and borrowing.

Cabinet agreed that the revised authorised limit and operational boundary for external debt contained in the Treasury Management Strategy be forwarded to full Council for formal approval.

**RECOMMENDED:** That the revised authorised limit and operational boundary for external debt contained in the Treasury Management Strategy be approved.

(Cabinet Agenda Item 7)

**CB19/13. LAND AT NORTHIAM CAR PARK, MAIN STREET, NORTHIAM**

The Council owned and managed the car park at Main Street, Northiam as outlined in Appendix 1 to the report. Northiam Surgery owned by the practice partnership adjoined the car park and enjoyed rights of access over it.

The practice was reaching capacity and therefore seeking to expand its services by wishing to acquire part of the car park to extend the surgery building. The District Valuer valued the site at £30,000. A freehold sale was considered the most appropriate form of disposal because the extension would be integrated with the existing surgery building. The car park was subject to a restrictive covenant, requiring consent from Iden & Frewen Education Foundation; written approval had been received. The sale was subject to planning permission and a licence agreement would be required for the contractor's use during the construction period. Devolvement had been raised with Northiam Parish Council, who confirmed that they did not wish to pursue this opportunity.

Cabinet agreed that the freehold of part of Northiam Car Park be sold to Northiam Surgery for the sum of £30,000, subject to planning approval and, the Executive Director be authorised to enter into a licence agreement for a temporary compound to facilitate the works.

**RECOMMENDED:** That the:

- 1) freehold of part of Northiam Car Park identified in Appendix 1 be sold to Northiam Surgery for the sum of £30,000; and
- 2) Executive Director be authorised to grant a temporary licence for an additional area, for use as a contractors' compound for the duration of the construction period.

(Cabinet Agenda Item 10)

**CB19/14. RESIDENTIAL DEVELOPMENT AT BLACKFRIARS**

Consideration was given to the report of the Executive Director that set out the background and options for the Council's landholding at Blackfriars, Battle. The site, which measured approximately 16 hectares (40 acres), had been identified in the Council's local planning

documents and Corporate Plan as a site for residential development for some years. The Council owned just over 50% of the land with the remaining comprising three areas in separate private ownership.

The Council's Planning Core Strategy (2014) identified a need for 475-500 new homes to be delivered in Battle over the plan period until 2028, assuming that a proportion of these homes would be delivered on the Blackfriars site. Complex ground conditions and costly infrastructure issues had stalled development of the site.

In February 2018, the Council was provisionally awarded £3.24m Housing Infrastructure Funding (HIF) grant from Homes England (HE). The HIF grant was integral to progressing the site. In December 2018, the Council received formal confirmation of the grant, which was subject to specific conditions. Many of the conditions were unacceptable and were likely to further stall development. Following further dialogue, HE had provided an alternative offer which stated that any surplus made over an agreed developer's profit margin must be recovered by the Council. This money would be ring-fenced and used to facilitate additional housing development within the district. These conditions were now acceptable and highlighted in HE's offer at Appendix 2 to the report. It was therefore recommended that the Council accepted the grant funding award.

To progress planning permission for the new road infrastructure, a masterplanning exercise had been undertaken including site investigation, surveys, utilities and service enquires. This had allowed the Council to outline its regeneration ambitions and development priorities including the provision of affordable housing etc. Members were advised that a planning application had been submitted and awaited determination.

Part of the HIF grant stipulated that all landowners sign-up to a collaboration agreement, committing to joint working to utilise the new road infrastructure for unlocking their sites. Alternatively, the Council could seek to acquire these parcels of land to ensure delivery. Discussions with landowners were ongoing. The site owned by Rother had capacity of delivering 120 to 130 homes, or a larger scheme up to 220 homes should additional land be acquisitioned. This would make a significant contribution towards the Council's strategic housing requirement for the district.

The report outlined two options for delivery including details of the benefits and risks, as follows:

- **Option One:** Joint Venture (JV) with development partner, likely to be a Registered Provider (RP).
- **Option Two:** Direct delivery through the procurement by the Council of a main Contractor and professional team with delivery via Design and Build (D&B) Contract.

It was recommended that the Council pursue the first option as it was considered the safest, mitigated concerns regarding project funding and risk, as well as allowed partnership opportunities with an

established RP. Legal advice would be sought to establish whether a public procurement exercise was required.

A lengthy discussion ensued on the advantages, disadvantages, risks and rewards of the Council pursuing both options. Mixed views were expressed and during the discussion the following salient points were noted:

- Should Option 1 be agreed, it would be extremely important that the Council retained 50/50 control with the RP to develop the site and that clear aims and objectives were established.
- Planning permission not being granted was considered a significant risk.
- Rejecting the HIF funding would stall development.
- Option 2 provided an innovative opportunity for the Council to take control build high quality houses/flats for the district.
- Residents would expect the Council to take an active role in progressing/developing the site.
- A suggestion was proposed that the Council sold individual plots for self-build development/opportunities.
- The Council currently did not have the capacity, expertise or resources to develop this size of project without the assistance of a development partner. In future, it was felt that consideration should be given to the Council bringing forward development of smaller projects. Options would be explored by the Overview and Scrutiny Committee, as part of their Work Programme for 2019/20.
- Important that affordable and social housing was delivered, including a mixture of shared rented / ownership properties.
- High quality design standards were considered imperative and that consideration be given to the emerging High Weald Design Guide.
- Officers were congratulated on securing the £3.24m HIF funding.

Cabinet agreed that the HIF grant be accepted and that a JV model with an RP be developed but that further information on the joint venture's Terms of Reference, aims, objectives and design standards be referred back to Cabinet before appointing a partner. The Executive Director agreed that a detailed report would be presented to a future Cabinet meeting.

**RECOMMENDED:** That development of a Joint Venture model with a Registered Provider to deliver residential units be approved, subject to agreement of the Terms of Reference, aims, objectives and design standards be referred back to Cabinet before appointing a partner.

Cabinet also

**RESOLVED:** That the funding offer from Homes England as attached at Appendix 2 to the report be accepted.

## Rother District Council

Report to	-	Council
Date	-	8 July 2019
Report of the	-	Audit and Standards Committee
Subject	-	The Committee on Standards in Public Life's Review of Local Government Ethical Standards / Code of Conduct

---

The Council is asked to consider the recommendation arising from the Audit and Standards Committee meeting held on 24 June, as set out below.

---

### **AUDIT AND STANDARDS COMMITTEE – 24 June 2019**

#### **AS19/06. THE COMMITTEE ON STANDARDS IN PUBLIC LIFE'S REVIEW OF LOCAL GOVERNMENT ETHICAL STANDARDS**

Members considered the report of the Executive Director detailing the outcome of the Committee on Standards in Public Life's (CSPL) Review of Local Government Ethical Standards. The CSPL's report was published in January 2019 and Audit and Standards Committee Members at that time were sent the link to the report. A brief report for all Members was also made within the March edition of the Members' Bulletin and all Parish Clerks were also sent the link as there were a number of recommendations directed at Parish and Town Councils.

The CSPL had made a total of 26 recommendations to Government, together with 15 best practice guidelines which were directed at local authorities. The recommendations were made to the Government and to specific groups of public officeholders; some of the recommendations required a change to primary legislation, which was subject to Parliamentary timetabling and some to secondary legislation and the Local Government Transparency Code, which could be implemented more swiftly. The recommendations were reproduced at Appendix 1 to the report in their entirety, along with officer commentary.

Best practice recommendations were attached at Appendix 2 to the report, which the CSPL considered to be a benchmark of good ethical practice and that all local authorities could and should implement. It was proposed that officers undertook an assessment of the Council's current practice against the best practice guidelines and report back to the Committee at the December 2019 meeting.

Ahead of the Council's consideration of the best practice guidelines (and any revised model Code of Conduct that may emerge in the future), East Sussex County Council (ESCC) had undertaken a review and had recommended two amendments to the current Code of Conduct as a result of best practice recommendations 1 and 2. The amendments were in respect of ensuring Councillor co-operation with any formal standards investigations and providing a definition of bullying. All the District and Borough Councils across East Sussex had

been requested by ESCC to make these amendments as each authority had adopted the same Code of Conduct to ensure continuity across the county, particularly for dual-hatted Members.

Following some discussion about the CSPL's recommendations to Government, the following points were noted:

- whilst the power to suspend councillors, without allowances, for up to six months was welcome, it was hoped that some clarification would be provided with any change in legislation, as to the level of offence leading to such a sanction; and
- recommendation 25 did not encompass those Councillors that did not belong to a political party.

**RECOMMENDED:** That the following proposed additions to the Council's Code of Conduct be approved and adopted:

Under the General Provisions, Introduction and Interpretation:

(6) Councillors are required to comply with any request regarding the provision of information in relation to a complaint alleging a breach of the Code of Conduct and must comply with any formal standards investigation.

AND the following under the General obligations:

(2) (b) bully or harass any person; Bullying may be characterised as: offensive, intimidating, malicious or insulting behaviour, an abuse or misuse of power through means that undermine, humiliate, denigrate or injure the recipient. Harassment may be characterised as unwanted conduct which has the purpose or effect of violating an individual's dignity or creating an intimidating, hostile, degrading, humiliating or offensive environment for an individual.

(c) intimidate or improperly influence or attempt to intimidate or improperly influence any person who is or is likely to be....

AND the Audit and Standards Committee also:

**RESOLVED:** That:

- 1) the outcome and recommendations of the Review be noted and welcomed by the Committee;
- 2) the proposed resulting changes to legislation be considered if and when enacted by Government; and
- 3) an assessment of the Council's current practice against the best practice guidelines outlined in the report be made and presented to the Committee at the December 2019 meeting.

(Audit and Standards Agenda Item 8)

## Rother District Council

Report to	-	Council
Date	-	8 July 2019
Report of the	-	Executive Director
Subject	-	Planning Committee Membership

---

**Recommendation:** It be **RESOLVED:** That Councillors P.C. Courtel and K.M Harmer be removed from the Planning Committee and Councillors S. Coleman and H. Timpe be appointed, subject to the completion of the mandatory planning training to be held on 9 July.

---

1. At the Annual Council meeting held on 22 May appointments were made to the Council's Committees in accordance with the Group Leaders' wishes. At that time, two proposed Planning Committee Members (Councillors Coleman and Timpe) had been unable to attend the mandatory planning training held on 17 May in order for them to participate fully in the first meeting of the Planning Committee on 30 May 2019.
2. The respective Group Leaders (Labour and Association of Independents) therefore nominated and Council appointed two Members who had attended the mandatory planning training as a temporary measure (Councillors Courtel and Harmer) on the understanding that as and when the originally proposed Councillors had received their mandatory training, they would be appointed to the Planning Committee.
3. It is confirmed that a further mandatory planning training session has been arranged to take place on Tuesday 9 July (the day after this Council meeting) at which both Councillors Coleman and Timpe will be attending.
4. Council is therefore asked to confirm that subject to the Councillors Coleman and Timpe attending the mandatory planning committee training to be held on Tuesday 9 July they be appointed to the Planning Committee and Councillors Courtel and Hamer be removed from the Planning Committee.

Membership of the Planning Committee (subject to the completion of the mandatory training) is therefore confirmed as follows:

### **Planning Committee**

Councillors Mrs M.L. Barnes, T.J.C. Byrne (ex-officio), S. Coleman, G.C. Curtis, Mrs D.C. Earl-Williams S.J. Errington, A.E. Ganly, J.M. Johnson, L.M. Langlands, A.S. Mier, S.M. Prochak (Vice-Chairman), G.F. Stevens, R. Thomas, H. Timpe and J. Vine-Hall (Chairman).

## **De La Warr Pavilion Charitable Trust Annual Report for Rother District Council; 2018 - 2019**

Prepared by Stewart Drew, Director and CEO, June 2019.

---

### **Introduction**

- This report sets out in summary the activities and achievements of the De La Warr Pavilion (DLWP) Charitable Trust during the financial year 2018/19. This is in addition to the quarterly reports submitted to monitoring officers as part of the funding agreement with Rother District Council (RDC).
- We have just completed the first year of our four-year (2018-22) business plan which is closely monitored by the Board with a series of SMART objectives and KPIs.

Our Vision, Mission and objectives are as follows:

### **De La Warr Pavilion**

Established 1935, modern ever since

### **Mission**

To be a flagship centre for the arts and a vibrant cultural hub for the south-east, owned by our communities; known for our programme nationally and internationally.

Responding to our world class architecture and living heritage, to allow greater access to cultural experiences, and to ensure culture-led regeneration for the region has sustained momentum into the next decade and beyond.

### **Belief**

The De La Warr Pavilion is a centre for contemporary art within one of the most iconic modernist buildings in Britain.

In the pioneering and progressive spirit from which the building originated, we produce an innovative, high quality and integrated programmes of art, live performance, learning and culture.

By putting artists and audiences at our heart we aim to be accessible and relevant, create opportunities, drive aspirations and reflect the thinking and ideas of the world in which we live.

## **Objectives**

1. Produce, present and promote a high-quality programme of modern and contemporary work that responds to the needs and aspirations of both artists and our audiences.
2. Enable artists of every culture and discipline to create new work or present new experiences of existing work within an environment committed to excellence and best professional practice.
3. Work with audiences and communities to engage them with the Pavilion and our artistic programme, making it relevant to them as a visitor or participant.
4. Develop and conserve the De La Warr Pavilion's fabric with reference to its cultural significance and architectural status, and to promote our heritage through public and artistic programmes.
5. Maintain a viable, resilient and sustainable business model, seeking to diversify income streams by growing fundraising and commercial activity.
6. Be a catalyst for the cultural, economic, tourism and social regeneration of Bexhill and the surrounding region.

The Trust mirrors these objectives with the following sub committees of Trustees as key areas of focus:

- Finance & Trading
- Fundraising
- Building & Maintenance Committee

These committees form key working groups and provide guidance, expertise and support to the executive and lead officers.

## Core Revenue Funding

- Arts Council England (ACE) National Portfolio Organisation (NPO) funding is agreed for the period 2018-22, with a revenue grant of £508,430 per annum over the 4 years. In addition, DLWP is the lead partner (of 8 partners) in OUTLANDS, a national experimental music touring network which is revenue funded by ACE to the value of £290k over the period 2018-20.

ACE's assessment of our annual NPO report was that DLWP is 'Strong' across the following key areas: excellence of programme; access for audiences; resilience; diversity (workforce, artistic programme, audience development); management and governance. The key area for development remains building financial viability.

- RDC's funding is key to securing the ongoing ACE funding at sustained levels and accounted for c.15% of the organisation's annual turnover in 2018/19.

Of the £3.9m turnover in 2018/19:

- Public Subsidy (ACE & RDC) accounted for 27%
- 31% from Trading
- 31% from Box Office Receipts
- 5% from fundraising (non-public sources).

**Hence RDC's £542,000 in this period, unlocks a further £3.2m in turnover.**

As our local authority partner, your funding brings DLWP long-term stability and unlocks further significant public, private and commercial funds to deliver to our charitable objectives. Your continued commitment supports our ambitions to conserve the building, increase programming, audience engagement and diversify income streams.

## Business Plan Headlines

The headline ambitions for the 2018 – 22 period are:

- Grow visitor numbers & engagement
- Become a combined arts organisation
- Develop Learning & Participation programme across the organisation
- Develop the organisation as a centre for skills & research
- Increase income; fundraising & commercial

- Increase relevance & resilience.

The Building is at the heart of what we do. We want to engage more people with our heritage and will grow visitors to 600,000 by the mid 2020's. We will do this by developing **a new capital project** to:

- **Improve the audience/visitor experience** and DLWP's public realm
- **Deliver essential conservation work** to our beautiful Grade I Listed building
- **Unlock programming (visual arts, live, & learning) potential**, including external programming on our rooftop terrace, bandstand, and in our auditorium
- Reinststate the importance of the Pavilion's Modernist architecture and **deepen public engagement with our rich heritage**
- Achieve resilience by **unlocking commercial income** and trading opportunities and becoming more sustainable.

These ambitions respond to regional opportunities for growth:

- Over the last decade the RDC strategy to secure investment in a number of key projects including the Pavilion, Bexhill Museum, Elva Way, the seafront, Link Road, Bexhill High School has had a significant and positive effect on our organisation and the District.
- In turn, the development of other cultural assets within the region continue to build critical mass for a unique visitor offer including Devonshire Park (Eastbourne); Towner; Hastings Pier; Hastings Contemporary; White Rock Hastings; Charleston; Brighton Dome and Festival; Rye Nature Reserve.
- The impact of the Link Road brings better transport links and unlocks more homes and commercial opportunities to allow us to grow our audiences. We hope that these developments will unlock more hotel rooms in the vicinity of Bexhill which will have a significant impact on the resilience of our operation.

## 2018/19 in Figures

- We welcomed over 420,000 visitors during the period 2018/19. This represents a small 2% increase from 2017/18, with growth held back by ongoing issues with Southern Rail.

- We sold a total of **52,166 tickets to 111 performances** in the auditorium.
- **16 performances sold out** (Beth Hart, Don Mclean, Jo Brand, Rufus Wainwright, David Sedaris, Levellers, Suzanne Vega, Dionne Warwick, The Kooks, 10cc, Joan Armatrading, Henning When, Razorlight, Kaiser Chiefs, Russell Kane and Wilko Johnson). And another 11 performances were close to sell out (Graham Nash, Corinne Bailey Rae, Richard Thompson, Bowling For Soup, Ward Thomas, James Morrison, Steve Harley, Rick Wakeman, Robert Cray, RPO, Bootleg Beatles).
- 94% of our Live visitors rated their evening good with **85% rating it very good or excellent**.
- **32% of ticket buyers travelled 30 or more minutes to reach us and 6% stayed away from home** with 80% of those in paid accommodation. While in Bexhill, 22% visited a restaurant/café and 12% visited a pub or bar.
- **We presented 11 exhibitions** with artists from a range of disciplines and differing career stages from inside and outside the UK.
- **91% of visitors rated our exhibitions good or very good** with 55% visiting to be intellectually stimulated. 93% visitors would recommend our exhibitions and 68% visitors spent 30+ minutes in the galleries.
- We have worked with notable exhibition partners through this period including Nottingham Contemporary, Goldsmiths CCA, Hayward Touring, UCL and West Dean College. Four exhibitions went on tour, including Caroline Achaintre's Fantômas which toured to BePart, Belgium.
- **We had over 5,257 participants** take part our learning and engagement programmes, including:
  - 1,137 total primary and secondary school pupils with almost half engaged via outreach sessions
  - 64 teachers took part in 5 dedicated CPD sessions
  - 456 Higher & Further Education students and 6 staff
  - 6 work experience placements for 5 days each from local colleges
  - 2,576 families and children
  - 157 people with a learning disability
  - 50 refugees and asylum seekers

- 42 people with mental health challenges
  - 40 volunteers
  - 39 artist educators
- **We have hosted 80 community events** with community rates for organisations including Bexhill Artist Workspace, Rother Voluntary Action and Active Arts, Bexhill Jobs & Apprenticeships Fair.
  - We have **attracted over £200k of additional income, through fundraising activity**, up 30% on the previous year.
  - We have **over 115 staff on the payroll**, including part time and casual staff. 90% of staff from the Rother and Hastings Area.
  - Over **80,000 twitter followers**, high engagement on Facebook, Instagram and LinkedIn. Our video channels (YouTube and Vimeo) had over 13,000 views during the year.
  - We were appointed a partner venue for **England's Creative Coast - a £1.3m cultural tourism led** project aimed at increasing international visitors to the South East Coast by 3%.

## Organisation Activity Report

### Civic and Community

- Of our live visitors, 68% travel less than 30 minutes to reach DLWP and our visitors have a strong sense of the DLWP's role as a civic hub at the heart of the community:
  - *96% agree DLWP is good for Bexhill & the surrounding area*
  - *72% agree DLWP enhances the sense of community*
  - *72% agree DLWP encourages participation in community life and events*
  - *85% agree DLWP is welcoming for the whole community*
- The quality, volume and variety of our programming across Live, Exhibitions and Learning & Participation helps us engage with a wide range of audiences.

- Our extensive Learning & Participation programme of events, activities and workshops reached an extensive range of audiences both on and offsite.
- In 2018/19 our Live programme spanned all music genres (including traditional, contemporary and experimental music), together with comedy and family shows.
- Our innovative exhibitions programme combined an ambition for excellence with opportunities for everyone to experience and participate through free exhibitions.
- We provide a valuable resource for individuals, community organisations and local businesses. During 2018/19 we hosted 80 conferences, community events, weddings and celebrations, and events for local organisations including:
  - Bexhill Artist Workspace
  - Rother Voluntary Action
  - Active Arts
  - Bexhill Festival of Music
  - Bexhill Academy, St Richards, St Catherine's College awards ceremonies
  - The Poppy Half Marathon Charity Music Fest
  - Bexhill Choral Society
  - Bexhill Art Society
  - Big Summer Sing & Big Christmas Sing
  - Bexhill Artists Workspace
  - East Sussex Music from the Heart
  - Bexhill Schools Christmas Concert

We also hosted seven regional festivals including Bexhill Motofest, Bexhill Festival of the Sea, Hastings International Piano Concerto Competition, Ale & Arty and Rye Jazz Festival.

We are keen to do more but capacity issues meant 20% of hires had to be declined due to a lack of availability of dates and spaces.

*"The theatre looked amazing and I have only received positive comments about the whole event. The rehearsals ran incredibly smoothly and it was great to have all the [Front of House] support"* Big Summer Sing

*“As a big corporate in the area it is refreshing to find a venue that we can entrust with a range of events throughout the year. These can be events from 100-1600 people, but no matter what is asked of them the De La Warr team always deliver” Jay Wootten, Events and Community Relations Manager*

- We continue to work in tandem with the local business community including with organisations such as the Team East Sussex (SELEP), Bexhill Chamber of Commerce, Locate East Sussex, Business East Sussex and the Federation of Small Business and key local employers such as Hastings Direct. Our involvement with programmes such as Bexhill Creatives has led to strengthened partnerships with organisations including Rother Voluntary Action, Heart of Sidley, DV8 and Hastings Furniture Service.
- DLWP continues to support the economic prosperity of the area, particularly of our young people, through its hosting and organising of the Bexhill Jobs & Apprenticeships Fair. The event was held at DLWP for the fourth year on 5 April. More than 500 people attended - an uplift of 40% on 2018 – and over 50 exhibitors were involved including local and National businesses, colleges, training organisations and business and voluntary organisations. To reflect the changing patterns of work, this year’s event saw the introduction of a new Enterprise Zone. This community-led, not-for-profit event was organised by Huw Merriman MP, Bexhill College, De La Warr Pavilion, Bexhill Chamber of Commerce, Culture Shift and Rother District Council and 2019 sponsors were Hastings Direct, Bexhill College, Optivo, The Priory Hospital Ticehurst, Bromley Schools’ Collegiate, Business East Sussex, Locate East Sussex, Federation of Small Businesses, Beaming, Westridge Construction and East Sussex Teacher Training Partnership. Feedback from employers and visitors has been extremely positive:

*‘We have attended all of the fairs and actually think that this time was the best yet for us.’*

*‘We’ve seen a good calibre and quantity of young and older people genuinely looking for jobs and have identified 5 potential employees’*

*‘We’ve had some genuinely great interactions with delegates and have collected details from more than 40 job seekers.’*

*'Really useful start-up zone, so many possibilities and leads through talking to different people.'*

In response to a report *The future of seaside towns* by the House of Lords Select Committee on Regenerating Seaside Towns and Communities, the Bexhill Jobs & Apprenticeships Fair was featured on the BBC national news website as an example of creating opportunities to support the regeneration of seaside towns. This was shared by news sites all over the world.

- Our members play a crucial role in the life of DLWP, supporting us through regular visits to exhibitions, events and our Café Bar, and championing our work and programme. Our membership is thriving with 424 new members joining in 2018/19 - a 125% increase year on year – taking our total membership to 958. We have worked hard to make joining and re-joining easier and have seen the retention rate increase to 67% as a result. The direct contribution of our members cannot be overstated.

## **Diversity**

- Diversity is embedded throughout our programming and we continue to focus on supporting a range of groups including people with mental health challenges, disabilities, dementia, young people, refugees, asylum seekers and low socio-economic families. We have reached out to these communities through partnering with organisations such as DV8, Eggtooth, Rhythmix, Attitude is Everything, Project Art Works, Culture Shift, Heart of Sidley, Hastings Furniture Service, Hastings Refugee Buddy Project, Little Gate Farm, Sussex Partnership NHS Trust and Hastings & Rother Arts Education Network (HRAEN).
- We continue our relationship with Project Art Works, a pioneering artist-led organisation, which collaborates on a wide range of visual art-based activities with people who have complex needs. The current programme aims to increase public, artists' and arts professionals' awareness of the extraordinary contribution people with complex needs can make to mainstream culture and will position them as leaders. Building on the success of our previous projects with this organisation - such as *In the Realm of Others* (Ground Floor Gallery, 2015) - the Project Art Works Explorers Programme will deliver six co-commissioned exhibitions and installations to form a 'festival of cultural inclusion' in 2019 with the De La Warr Pavilion as

one of the six partners. Artworks will emerge from relevant, creative and meaningful engagement with neuro-diverse communities, placing the discourse of inclusion at the centre of mainstream exhibition spaces.

- Our Mercury Club project is a visual arts programme that works with adults with learning disabilities and their personal assistants. The Mercury Club meets once a month to visit the galleries and studio, developing creative ideas, artwork, skills and friendships.
- Throughout 2018/19 we presented a more culturally and aesthetically diverse account of modernism: from reinterpreting key moments in its history (Florence Peake) to exploring overlooked artists (Grace Pailthorpe & Reuben Mednikoff) and introducing international perspectives (Tamar Guimarães & Kasper Akhøj). This was supported by a key partnership with the Centre for Modernist Studies, University of Sussex.
- Our major group exhibition *Still / Rise* featured artists from Korea, Nigeria and Pakistan and explored the history of resistance from the perspective of gender. Iraqi artist and refugee Hayv Kahraman exhibited alongside this in the first-floor gallery, in a show which explored female identity in relation to migration.
- Our experimental music touring network, OUTLANDS, commissioned artists which represented a broad range of music practice. Six were international artists (Europe/Japan/USA); five artists identified as a person of colour; five as female.
- We offered free teacher CPD sessions and gallery visits for English for Speakers of Other Languages (ESOL) departments at local colleges. We are also developing new ties to the Hastings Refugee Buddy Project and The Links Project (Hastings) to engage with local migrant and refugee communities.
- Our Young Creatives programming group (for 13 to 24-year olds) continues to meet monthly and plays an active role in the organisation, including delivering their own events.
- In 2018 we launched a new programme, *Debut*, to help support the professional development of young musicians in the local area.

- We are partnering with East Sussex College to develop a programme providing technical support and expertise to T level students as part of our wider championing of live music and performance as a route to employment.

## **The Building**

The Pavilion has set in place annual maintenance contracts for:

- Plant equipment, including boilers, heating and ventilation, gallery environmental controls, ventilation
- Cleaning and Hygiene
- Security and Fire Alarms
- Firefighting equipment
- CCTV maintenance
- Passenger and goods lifts
- Storm pipes & drains
- PAT testing and safety checks
- Pest control
- Kitchen and refrigeration equipment
- Security shutters
- Gardening

In addition, the Duty General Management team make regular inspections of the building, overseen by the Director of Operations. The team has developed a maintenance check plan, which covers daily, weekly, monthly and quarterly checks.

The 2018/19 combined annual budget for Maintenance Contracts, General Repairs, Health & Safety and cleaning was £150,000. Maintenance contract costs and general repairs rise year on year; however, we have good relationships with all our suppliers and continue to review and negotiate the best possible contract deals with them.

The Building committee comprising of Trustees (including Cllr Brian Kentfield) and DLWP Executive Team continues to meet on a regular basis (quarterly) to discuss maintenance issues and priorities.

Maintenance and replacement plan detailed in schedule 1, attached.

## **Capital Project**

- We have made significant development with the Capital Project, which will unlock cultural tourism and economic growth, organisational resilience and sustainability, and wider social and environmental benefits.
- A Feasibility Study by architects Purcell has been completed and, aligning with Business Plan ambitions, provides a range of options for the development of the site.
- We have concurrently developed a Capital Fundraising Strategy with Counterculture LLP.
- We met with Arts Council England and National Lottery Heritage Fund (NLHF) to discuss the capital plans and future grant potential from each funder. A strong indication of significant support has been given by NLHF and ACE.
- With the Board we have developed new terms of reference for a Capital Appeals Committee, and a job description for its Chair (all being actioned and recruited in Q1 2019-20).

## **Sustainability**

We are continuing to develop our Environmental Sustainability Policy and annual Action Plan, looking to minimise our environmental impact and reduce costs. Much of this will be formalising, developing and monitoring existing practices, and some will be introducing new equipment and practices to continue to improve our carbon footprint, which is steadily decreasing. Our carbon footprint reduced from 459 tonnes in 2012/13 to 300 tonnes in 2018/19.

## **Tourism**

- Stewart Drew is the chair of 1066 Country Marketing and has led their board through the development of a new 10-year strategy for the private / public body. The strategy has been based on extensive market research, which also informs wider tourism initiatives at both a county and LEP level.
- A new 'tone of voice' toolkit was launched for 1066 Country in September 2018 and a new website will follow in summer 2019.

- Stewart has also chaired a group looking at the wider image of East Sussex, and how this impacts the visitor economy, inward investment and recruitment in the healthcare and education sectors.
- DLWP continues to lead on the Coastal Cultural Trail (with Towner and Hastings Contemporary) and Sussex Modern initiatives. Sussex Modern will relaunch in Summer 2019 with a partnership with the Sussex Wineries Group and South Downs National Park.
- DLWP has supported the development of the Bexhill Modern Vintage marketing campaign, closely working with the Town Centre Steering Group. We have delivered Southeast-wide (including London) rail campaigns, postcard / leaflet distribution and social media activity.
- We were appointed a partner venue for England's Creative Coast - a £1.3m cultural tourism led project aimed at increasing international visitors to the South East Coast by 3%. Audiences will be encouraged to move between destinations to see iconic cultural places/artworks, boosting the local economy in the area. Each destination will host a new artwork with DLWP's proposed for outside the Pavilion in May/June 2020. Other venue partners are Metal Southend, Turner Contemporary, Folkestone Creative Foundation, Whitstable Biennial, Jerwood Gallery Hastings, Towner Eastbourne and Pallant House Gallery, Chichester. Each destination will create a local audience engagement programme and be involved in a geocaching project. Marketing of England's Creative Coast is already under way, notably in France and the Netherlands.

## **Digital Marketing**

Outside PR, much of our promotion is concentrated on our digital strategy. Our approach to producing high quality creative media includes creative, captured and learning content, distributed across several platforms to increase audience reach:

- Creative content: 10 artist and curator talks/Q&A's; Young people had opportunities to create content: Young Creatives video interviews with The Feeling, Gomez; 1 OUTLANDS artist interview video; Audio tour of DLWP; 3 Audio Files (conversations about exhibitions available on Soundcloud and in the gallery) by the Young Creatives and under 5's; 1 Instagram artist takeover (Florence Peake); Blog posts by artist facilitators and invigilators give a voice to people across DLWP.
- Captured content: 7 OUTLANDS videos (performances, workshops, promo); Café Bar videos (chef demonstrations); 25 Pecha Kucha presentations on [www.pechakucha.com](http://www.pechakucha.com); audio lectures.
- Cultural learning content: 6 digital learning resources for teachers and schools, increasing the quality and amount of cultural experiences for children and young people.
- We digitally relaunched our Membership scheme with new auto-renew function online. Membership grew by 50% and retention rates from 27% to 63%. Most new members sign up online.
- Refreshed venue hire online resources and presence (ongoing).

- c800 targeted emails; 49% open rate; ROI ranges from £300 to £7k per email.
- 80.4k Twitter followers, 8k Instagram followers, increased our Facebook reach every month, number of YouTube views increased by almost 50%.
- Digital marketing for Coastal Culture Trail, Sussex Modern, England's Creative Coast.

### **Local Enterprise Partnership**

- Stewart Drew has been representing Hastings & Bexhill on the Cultural Industries sub-group of SELEP (South East Local Enterprise Partnership) and is also a director of Team East Sussex, the federated part of the LEP and a member of the SELEP Investment Panel. It is a significant step forward for a cultural organisation to be included at this level.
- Following a tender process, DLWP was designated a Cultural Hub for the South East Creatives Cultural and Digital Support (SECCADS) ERDF programme - a support programme for Creative, Cultural and Digital businesses across the SELEP area (Essex, Southend, Thurrock, Medway, Kent and East Sussex). As a flagship location, DLWP will provide space for events, meetings and hot-desking and use our knowledge and credibility in the sector to achieve traction and be ambassadors for the programme locally
- Stewart has been leading a discussion at Team East Sussex responding to research and perceptions of the county as a place to live and work. The group has now agreed the outline strategy, which is being implemented by Locate East Sussex.

### **Programme Activity Report**

#### **Exhibitions**

- Our 2018/19 exhibitions programme, under the direction of Head of Exhibitions Rosie Cooper, continues to position DLWP as a key centre of contemporary art excellence at a regional, national and international level.
- We presented 11 exhibitions with artists from a range of disciplines and at differing career stages from inside and outside the UK

- 91% of visitors rated our exhibitions good or very good, with 55% visiting to be intellectually stimulated. 93% visitors would recommend our exhibitions and 68% visitors spent 30+ minutes in the galleries
- Diversity has played a key role in our exhibitions programming with exhibiting artists being 83% female, 17% BAME and 17% LGBTQIA. Our major group exhibition, *Still / Rise*, explored the history of resistance and alternative forms of living from the perspective of gender and brought new audiences to DLWP. 24% of visitors were first time visitors to DLWP and 83% of visitors came with friends and family of which 18% had some of their party that were under 16.
- We are delighted that one of the *Still / Rise* exhibitors, Tai Shani, has been shortlisted for the 2019 Turner Prize.
- To support artist practice in a meaningful way, we have offered commissions, residencies and fundraising expertise. Artist talks, videos, performances, curator tours, symposia and publications have also augmented each exhibition.
- To mark the 100<sup>th</sup> anniversary of the Bauhaus, we collaborated with West Dean College of Arts and Conservation, commissioning Renee So in a three-week residency. We look forward to hosting a solo exhibition of Renee's work in the Autumn 2019.
- Symposiums hosted by DLWP have included *Virus of Hate*, co-organised with the Centre for Modernist Studies, University of Sussex, and the Contemporary Art Society *Curating Feminist Technologies*.
- We have had positive press including ArtReview, Frieze, Guardian, Independent, The Quietus, Evening Standard.

*'The Grace Pailthorpe and Reuben Mednikoff exhibition offered a fresh perspective on British Surrealism...a rich and critically relevant platform for audiences'* Amy Budd, Associate Curator, Art Night

## **Live Programme**

- Our Live programme under the guidance of new Head of Live, Ed Frith, continues to increase DLWP's standing as a leading music and performance destination.
- We delivered 54 shows involving national and international touring artists in the auditorium in 2018/19 and a further 12 shows in other areas of the building. February and March 2019 were particularly busy, with 23 shows in these months alone.
- Our high quality and varied programme has spanned internationally renowned musicians, comedians and performers through to seasonal and regional productions.
- 52,166 tickets were sold to 111 performances in the auditorium in 2018/19.
- 16 performances sold out (Beth Hart, Don Mclean, Jo Brand, Rufus Wainwright, David Sedaris, Levellers, Suzanne Vega, Dionne Warwick, The Kooks, 10cc, Joan Armatrading, Henning When, Razorlight, Kaiser Chiefs, Russell Kane and Wilko Johnson) with another 11 performances close to selling out (Graham Nash, Corinne Bailey Rae, Richard Thompson, Bowling For Soup, Ward Thomas, James Morrison, Steve Harley, Rick Wakeman, Robert Cray, RPO, Bootleg Beatles)
- Ed Frith now co-chairs the Music Steering Committee for Hastings & Rother Music City, and DLWP remains through this (and other partnership programmes) at the heart of nurturing the local music economy to help drive regeneration.
- February 2019 saw the DLWP celebrating the start of Music Month by hosting a 1066 Music City Steering Committee meeting in the Café Bar followed by a wider drinks reception with performances from local, young and emerging talent.
- In September, a unique event was held on the west lawn with artist DJ Yoda DJing and projecting visuals onto the south wall of the building to launch *Debut*, a DLWP initiative to help the professional development of young people in the music industry. The event involved five local music charities (Rhythmix, Joe Strummer Foundation, Eggtooth and DV8) and five artists.

- To further support young people, we have been exploring opportunities for our Young Creatives to engage more in the Live Programme, with activities ranging from researching the Live experience to interviewing bands.
- Exploring how we could bring a more rounded Live offering to visitors, on 7 December DLWP launched Music's Not Dead (MND) as a pop-up shop selling vinyl records in the restaurant area. MND adds an additional dimension to the café with well curated background music and records to browse while regular MND customers are also visiting the DLWP and spending time in the building they otherwise would not have. The residency has been enhanced through a programme of free 'in-store' live performances in the restaurant as part of artist album launch promotional campaigns. These performances offer a unique and intimate setting, increase diversity in our programme and, through booking direct with record labels, strengthens DLWP's relationships with other areas of the music industry. The in-stores are well attended free events which also generate busy bar revenue on otherwise dark days.
- As a trial for future festivals aimed at drawing visitors from further afield, we ran free live events ahead of August 2018 film screenings. Our first festival, the sell-out Craig Charles Funk and Soul Club, took place on Sunday 26 May and involved 9 performers on both the Terrace and in the auditorium. We look forward to our next festival event in July *Good Times by the Sea* with DJ sets from David Rodigan and Norman Jay on the outdoor terrace followed The Cuban Brothers and a second set from Norman Jay in the auditorium.
- For family audiences we delivered four Horrible History and four Tiger Who Came To Tea shows, around which we developed Learning & Participation and outreach activities. These shows sold well and were well received by audiences. In partnership with Heart of Sidley, we offered £3 tickets and free transport to Sidley families.
- We worked with *Attitude Is Everything* who improve deaf and disabled people's access to live music. Embracing their charter, we are moving towards being recognised as an accredited venue.
- An MA student in Cultural & Creative Industries from the University of Sussex joined us on placement from June to August to help deliver the free film screenings, live event days and DJ Yoda event, spending time with Front of House, ticketing, technical and marketing.

- We continue to discuss with Arts Council, PRSF and other funding bodies together with artists, labels, agents and management, ways of extending and expanding the music offer of the DLWP.

## **OUTLANDS**

- DLWP is the lead partner in OUTLANDS – a touring network that brings together a mix of visual arts and music organisations, independent venues and creative producers all located outside London (Bexhill, Bristol, Birmingham, Salford, Bradford, Milton Keynes, Cambridge, Plymouth) to support the experimental music scene.
- OUTLANDS' first year of 2018/19 saw 26 tour dates across England reaching an audience of 2,654 people. 83% of surveyed audiences rated the quality of OUTLANDS tours as high, and 73% as genre defying. OUTLANDS is attracting new audiences for all the partners, with 39% of ticket buyers across the tours to date being new bookers.
- In February 2019, DLWP presented the OUTLANDS show *Ecstatic Material*, a collaboration between experimental electronic musician Beatrice Dillon and artist Keith Harrison. *Ecstatic Material* received a 5\* review in The Guardian.
- In June 2019, we commissioned, produced and toured *Fracture Patterns*, a compelling theatrical production which combined large-scale multi-channel video works by UK artist duo Semiconductor with a new live soundtrack and performance by New York musician and producer Eartheater.
- Our OUTLANDS engagement work with new audiences includes: establishing an on-going relationship with University of Brighton students and teachers; bringing a bus of 30 students to OUTLANDS events at DLWP and offering them Q+A's and exhibition tours; engaging two students from the University of Brighton for a voluntary work placement Creative Producer opportunity; working with a young ambassador for the promotion of the 4th tour and garnering interest in engagement opportunities from local education centres.

## **Learning & Participation**

Ashley McCormick, Head of Learning & Participation, and Grace Clements, Learning & Participation Coordinator, collaborate with colleagues across all teams, volunteers, freelance creative educators and a wide range of partners and communities to develop connections, curiosity, understanding, skills, creative potential, pro-social behaviours and agency.

Responding to ACE Creative Case, our Diversity Action Plan and Audiences & Engagement Plan details our SMART objectives. We seek to co-produce programmes that reflect the diverse nature of contemporary culture and the society in which we live. We seek to engage a broad spectrum of communities through providing personal development and learning opportunities, which are relevant and appealing to them, accessible and open to all. We work with BAME communities, health & wellbeing (formerly people living with disabilities), people with low socio-economic status, children, families, young people, those in formal education, critically engaged adults, cultural tourists and those over 55yrs and actively retired.

Key Aims of the department:

- Introduce DLWP priority audiences to the arts and architecture.
- Inspire priority audiences to take part in learning, culture and society.
- Develop creative skills, critical thinking and a growth mindset\*
- Encourage questions, and support debate.
- Enhance people's quality of life.

*\*In a growth mindset, people believe that their most basic abilities can be developed through dedication and hard work - brains and talent are just the starting point. Growth mindset creates a love of learning and a resilience that is essential for great accomplishment*

Objectives include:

- Build new audiences and long-lasting partnerships
- Develop engaging, innovative resources and experiences with and for families, children, young people and adults
- Provide experience of the cultural workplace

## **STAFF CONTINUING PROFESSIONAL DEVELOPMENT AND WELLBEING**

- We aim to invest in the learning, development and wellbeing of staff in the workplace, achieve equality of access and opportunity and create the right holistic environment to nurture a happier, healthier, more productive and engaged team.
- Grace and Ashley undertook training with the Making it REAL (Raising Early Achievements in Literacy) programme
- Ashley attended:
  - Make Your Mark Year of Drawing Symposium;
  - Bartlett School of Architecture Public Engagement Session;
  - Project Art Works seminar at DLWP;
  - RSA Big Education Conversation at Brighton Metropolitan University;
  - Girlfriends, Sisterhood and Female Friendships workshop at Bishopsgate Institute to research and develop ideas for *Still I Rise* expanded programme;
  - Action for Happiness course in order to develop understanding and skills in emotional intelligence and ideas for experiential activity.
- Ashley also undertook research visits to University of Sussex Migrant Research Centre, Baltic Arts Centre, Gateshead and the Centre for Contemporary Art, Glasgow to support the development of unlearning principles.
- Grace attended:
  - Dementia Awareness Virtual Reality session hosted by Bexhill Dementia Action Alliance;
  - Raising Early years Aspirations programme.

## **VOLUNTEERS**

We are currently coordinating a cohort of 40 active volunteers.

- Volunteers are involved in a range of aspects at DLWP, from leading tours to supporting events such as the Bexhill Jobs & Apprenticeships Fair.
- We create volunteering opportunities that empower different voices within the organisation and give volunteers the autonomy to speak confidently about the building and programme. We facilitated a further training course to expand the Heritage Tour volunteers and began a new programme of public tours.

## HEALTH & WELLBEING

- In May 2019, we hosted Darrell Gale - Director of Public Health East Sussex County Council - for a fact-finding day in the community. The day, designed to explore Art & Health, involved a round table meeting with Rother Voluntary Action, Optivo, Hastings Furniture Services, Nick Ewbank and Rother District Council at HFS followed by visits to Bexhill Wellbeing Centre, The Pelham and a meeting with members of the Heart of Sidley Committee at The Orangery extra care housing. The day ended with a tour of the Conquest Hospital Art Collection and a meeting with Little Gate Farm and Head of Clinical Education at the Conquest Hospital to discuss apprenticeships for young people with learning disabilities.
- We continue to run our free monthly Mercury Club creative sessions for adults with learning disabilities and their carers. Learning & Participation and our Green Team are currently exploring opportunities to work with the Mercury Club over the coming months on activities such as gardening and a beach clean.
- We host a monthly Drawing Life session for people living with dementia and their caregivers.
- We hosted a 6-week visual arts-based Recovery College course for people experiencing mental health challenges and their carers, as part of the *Make Your Mark Year of Drawing* project, in partnership with Sussex Partnership NHS Foundation Trust.
- We continued our work with 4Seasons, a visual arts programme working with adults with mental health issues. As the name suggests, the group meet at quarterly intervals to visit the galleries and studio. The group discuss and reflect on the artworks, and experiment with ideas, materials and processes found within the galleries to produce individual work in response.
- We worked with artist Xaverine Bates to launch The Mother Lode Project, a new programme of 14 workshops aimed at supporting mothers experiencing mental health challenges as a result of motherhood. Led by writer Antonia Chitty and photographer Vicki Painting, the programme will result in publication of work and a podcast series. To support the project, additional peer sessions are being run at Egerton Park Children's Centre in Bexhill.

- To engage more audiences who identify as disabled, we have been working with accessibility consultant, Jo Wood, to review our website, events and any barriers to our work. We have an ambition to set up a user group of people with disabilities to guide and inform our communications and digital strategy and we are talking to a local access group to move this forward.  
We also have ambitions to introduce talks for deaf and partially sighted people and will be taking on two young people with learning disabilities as apprentices as part of the Little Gate Farm apprenticeships programme.

## **LOW SOCIO-ECONOMIC GROUPS**

- We continue to take part in numerous offsite events in a bid to develop new partnerships and improve relationships with service providers and voluntary groups working with local families from low socio-economic areas.
- Working in partnership with the National Children’s Bureau, we have engaged 20 families and numerous staff from 4 local nursery settings in the Making It REAL (Raising Early Achievements in Literacy) project. Tales for Toddlers Facilitators Kevin Graal, Ed Boxall and Rebecca Fifield are all taking part in the Making it REAL programme.
- We have developed close partnerships with organisations in and around Sidley, working alongside organisations such as Optivo and The Pelham. We recently ran sessions All Saints School and we support the wider community through, for example, helping Heart of Sidley with an application to the Creative Civic Change programme.

## **FAMILIES**

- We continue to engage with families through *LOOK-THINK-MAKE*, our programme of drop-in family friendly creative activities; and *Tales for Toddlers* with storytellers Kevin Graal, Ed Boxall, Rebecca Fifield and with Treasure Tots.
- We held a half term creative workshop for *Tiger Who Came to Tea* ticket holders and outreach activities included extending the *Tiger Tea Party* workshop to Heart of Sidley families.
- We co-hosted a gallery visit from local refugee families as part of the *Discover Programme* – a lens based multi-disciplinary project led by artist

Nicole Zaaroura working with local refugees, asylum seekers and migrant communities.

- To further our engagement with Facebook Families we have ambitions to develop an Early Years advisory panel and we would like to include parents/practitioners from Sidley within this.

## **SCHOOLS**

- We have always worked closely with a wide network of schools, offering tours and workshops relating to our exhibition programme. Locally we are also involved with various Schools' networks and work on specific projects and collaborations. Below is a selection of the schools, colleges and universities we have worked with in the past year.

- Throughout November 2018, we hosted visits from students attending St.Mary's School & College, Saxon Mount School and Heathfield Community College as part of the Open Doors 2018 programme, coordinated by Skills East Sussex and The Career & Enterprise Company. Our involvement in the Open Doors programme, combined with our work experience provision and participation in school careers fairs has earned us an East Sussex Industry Champion badge celebrating our commitment to furthering skills in East Sussex.
- In March 2019, DLWP joined a new partnership to support young people in Bexhill and the surrounding area, becoming one of The Careers & Enterprise Company's Cornerstone Employers. We hosted the first meeting of the East Sussex Cornerstone Employers hub.
- DLWP continues to work as a key member of the Hastings and Rother Arts Education Network (HRAEN) steering panel, working with schools, artists and

arts organisations to ensure the best cultural opportunities for our young people.

- During National Children’s Art Week 2018, we delivered a series of outreach workshops in local schools with creative activities aligned to the DLWP exhibition RITE. Pupils explored tempo, movement, touch and memory through drawing in response to music and drawing without looking, before making clay compositions and sun prints.
- We hosted work placements, a twilight session for Teachers to introduce the Exhibitions Programme for the academic year 2018-2019, and a Teachers Cafe exploring creative careers, in partnership with Culture Shift
- We produced two downloadable learning resources to accompany the exhibitions *STILL I RISE* and *DISPLACED CHOREOGRAPHIES*.
- School engagement has included outreach activity at St Leonards Academy Creative Café supporting Year 8 students to gain understanding about potential creative careers. We also facilitated a gallery visit from a home education group to learn about creative acts of resistance in advance of the Youth Climate Strike.
- Artist Lauren Godfrey has recently been working with Chantry Primary School Year 4 to inform her thinking about her new exhibition *Group Hat* in the first-floor gallery and the DLWP summer programme in 2019.
- We led creative activities in partnership with Rother Voluntary Action over 4 weeks of the Bexhill-wide after school STEM Club.
- Other activities have included hosting an HRAEN workshop and a CPD Emotional Learning workshop for teachers and creative therapists in partnership with INVIA Creative Learning. Across 2018/19 we provided CPD opportunities for 39 teachers and learning professionals including SEN, ESOL and Early Years.
- In 2018/19 gallery staff recorded 23 self-led schools visits with approximately 498 students.

## **COLLEGES & UNIVERSITIES**

- We have delivered a major knowledge exchange programme in partnership with

University College London, including the Slade School of Art, the Bartlett School of Architecture and the Institute of Education. We have delivered both internal and business facing events, both at DLWP and at the Flimwell Enterprise Centre (also in Rother).

- In Q2, we hosted an 8-week work placement for Gu-Si, who was completing his Museum Studies MA at University of Leicester. We also hosted a gallery visit and facilitated a workshop for Art Foundation students from Bexhill.
- In partnership with Bexhill Museum, we shared a BA Media student from Brighton University (a Sidley resident) who explored the heritage of DLWP, how audiences understand the heritage of Bexhill and to unlock joined up opportunities for awareness and communication.

### **16 – 24 YEARS**

- Our Young Creatives (YCs), a group of 20 active 13 to 24-year olds, continue to meet monthly and are involved in helping to shape all aspects of our organisation. In Q4 our YCs worked with Melanie Powell of RDC to input into the Town Centre Strategy. They also worked with DJ, producer and journalist Antoni Odunlami to develop a Dear Serge event.
- To augment the exhibition *Still / Rise*, we co-produced new artworks, a flag and a video, with local students. Bexhill College students also choreographed a dance *STILL NOT STILL* which they performed in the entrance foyer at the exhibition's opening weekend.
- Work experience placements have included students from Robertsbridge Community College and a student from Bexhill College.
- In February 2019, our PechaKucha Night was co-curated with The Eggtooth Project who aim to create complementary educational programmes to tackle significant under achievement in able students who are in receipt of free school meals. 6 out of 8 of the speakers at the event were aged under 20.

### **CRITICALLY ENGAGED & CULTURAL TOURISTS**

- In 2018/2019 we produced 3 PechaKucha Nights with a total of 25 speakers addressing 192 audience members.

- We hosted 25 people for a Tea and Tour event to Celebrate Older People's day.
- On 20 March 2019 we celebrated International Women's Day, inviting Ann Kramer to co-produce an event exploring inspiring stories about local women's fight for the vote and to celebrate the power of sisterhood. We also hosted a mass mentoring event for Women in partnership with ESCC.
- Other events have included the *Utopias and other Stories* event, *The Haunted Moustache* by David Bramwell; concrete casting and pot throwing workshops; Crit Group meetings; a zine making workshop on mothers and an OUTLANDS workshop led by Copper Sounds.
- Our volunteers led 11 DLWP building/heritage tours across the year

### **BAME COMMUNITIES**

- We worked with Multimedia Broadcast Journalism students from University of Brighton, Julia Shungu (from the Congo) and Ayobami Adeyemo (Nigerian heritage), to co-produce AUDIO FILES in response to the *Displaced Choreographies* exhibition.
- We hosted gallery visits from ESOL students from the School of English at East Sussex College Group to explore ideas and language in the exhibitions.
- We hosted an Open Day for the Hastings and Rother Refugee Buddy Project to support the expansion of the project in Bexhill. We are also developing new ties to The Links Project (Hastings) to engage with local migrant and refugee communities.

### **DIGITAL AUDIENCES**

- To help grow our digital audiences, we produced a range of online content including an *Artists as Advocates for Learning* video with Alison Wilding; *Learning with ...* resources introducing Florence Peake to schools and community groups; PechaKucha presentations; and *AUDIOSHAPE*, an immersive soundwalk guiding visitors through a fictional narrative enhanced by layered sounds evoking memories, dreams and apparitions.

- In Q4 we produced two downloadable learning resources to accompany the *Still I Rise* and *Displaced Choreographies* exhibitions, and commissioned blogs to share the story of the event.
- We uploaded 25 PechaKucha presentations online in 2018/19, and these have been viewed 2,179 times.

### **SUMMARY OF PARTICIPANTS**

Group	Total Figures 17/18
Adults	543
Primary School pupils	799
Primary School staff	73
Secondary school pupils	338
Secondary school staff	19
FE/HE students	456
FE/HE staff	6
Families + children	2576
Young People	181
Community group visits	266
<b>Total</b>	<b>5247</b>

### **Cultural Education Partnership**

- We have deepened our formal relationships with schools, colleges and universities, by offering work placement opportunities, building tours, exhibition tours, workshops and through sharing resources (such as workshop templates which link to the curriculum) with these centres.
- DLWP has worked with Artswork in a range of ways during the last year. This includes strategic thinking behind our response to the Cultural Education Challenge and our ambition to develop a Local Cultural Education Partnership (through Culture East Sussex and HRAEN) to continue to cement a joined-up approach for a more coherent delivery of cultural education. It encompasses the embedding of Quality Principles and the growth of Arts Award and Artsmark within our programme.

- We will build strategic links through the CEP with key partners and stakeholders across schools, children's services, public health, social care and economic development, ensuring that cultural education is at the centre of local strategic plans.
- We are part of the Culture East Sussex Advisory Board, which pools collective experience and knowledge in order to advise on and monitor the implementation of the East Sussex Cultural Strategy.

### **Integrated Programming**

- We continue to integrate our Learning & Exhibitions programmes, collaborating with the Exhibitions Team, artists, teachers, academics and experts to develop a layered approach to learning. The Learning programme is informed by and contributes to research around the exhibition programme and provides different ways for priority audiences to engage with contemporary art and design, and develop understanding, knowledge and skills, talent, values, attitudes and agency. Interpretation activities include:
  - Appealing and relevant learning resources for Primary and Secondary schools, and community groups, available in the building and online.
  - A programme of stimulating creative workshops and courses for teachers, families, children, young people, community groups and independent adults.
  - LOOK-THINK-MAKE free, creative monthly family drop-in sessions on Sundays, 2 – 4 pm
  - Talks, tours and seminars including a PechaKucha 20x20 night and signed talk.
  - A platform for participants outputs and responses to be shared online.
  - Opportunities for teachers and students to meet and interview artists/curators/performers.
- We are increasingly looking to integrate our Live programme with Exhibitions and Learning & Participation. Our gallery is opening late on gig nights and we delivered family arts workshops in tandem with *The Tiger That Came to Tea* shows.

## **2017/18 Audited Accounts**

There was a £44,412 unrestricted funds surplus for the year ended 31 March 2018 before a positive pension revaluation of £28,000, hence the net unrestricted funds surplus for the year was £74,412.

### **Reserves policy**

It is the intention of the Trustees to have 'effective free reserves' - that is unrestricted reserves less unrestricted fixed assets - of £200,000.

As at 31 March 2018 the effective free reserves were:

Unrestricted funds as at 31 March 2018	£ 94,870
Less net pension assets	(23,000)
Less unrestricted fixed assets	(333,468)
Effective free reserves	(261,598)

The effective free reserves as at 31 March 2017 were £(332,544).

The Trustees are committed to making annual surpluses until the target reserves policy is met.

### **Financial Strategy**

- We continue to work to the financial strategy outlined in the Business Plan, whereby the overall financial position continues to improve, with small surpluses being budgeted for over and above cash commitments. This starts to allow us to develop the overall resilience of the organisation.
- Current financial performance is robust. The outlook is positive with tight financial control and adequate liquidity. Cash flow has significantly improved in the last four years and there continues to be considerable cash balances in excess of our forecasts.
- Counter Culture LLP provides Finance Director level support and extensive national knowledge of the sector to the organisation. They also provide the services of an accountant to oversee management accounting and payroll. Our Finance Manager provides day-to-day support to the executive team and organisation.

- Clark Brownscombe are our appointed auditors (<http://www.clarkbrownscombe.co.uk/>). Their clients include Glyndebourne, and they have a strong knowledge of our sector.
