Date 3 July 2020

On the 29th June 2020 between the hours of 9:00 – 10:00 I went on Facebook and extracted videos of the Red Lion Brede serving customers on 8th May 2020. This information was posted on personal accounts by 2 different people on the 8th and 9th of May 2020, these posts where made public and was viewable by anyone that wished to view it. Using my laptop I took screen shots of all the posts and saved them to an email that I was drafting, these screen shots were in their entirety and no information had been removed. I also downloaded 2 videos from these posts using Quicktime I paused the video and screen shot the paused screens to show customers sitting outside and consuming alcohol at the red lion on the 8th May 2020. I cropped these videos to remove the vehicles of the person who captured the videos and attached these to the same draft email this email was then sent to Una Kane on 29th June 2020 at 10:08
