

**COUNCIL MEETING**

31 July 2023

**MEMBER QUESTION 2**

(Pursuant to Council Procedure Rule 12.2)

Oral Question to Councillor Oliver from Councillor Hacking

---

**Oral Question**

As part of the dog consultation that closes today, please can you confirm that the Council understands the following considerations when reviewing dog control in Camber:

Houses in front of the Suttons have access to median high tide on their deeds so legally cannot be prevented from walking their dogs on the beach.

Additional dog control measures would put more pressure on beach staff who are already at capacity.

Charities such as the Dogs Trust currently walk dogs from Broomhill car park and the proposed changes would prevent this.
