Search fees (most frequently requested)	Full search - Forms LLC1 and CON29	125.67	25.13	<b>150.80</b>	150.00	30.00	<b>180.00</b>	Planning fees have not been regularly updated to reflect changes in the CPI since the early 2010's and have fallen behind the stated objective of recovering the costs of the associated activities. Consequently, CPI inflation increases of 24.4% are proposed in respect of local land charges (LLC1) and 22.3% in respect of CON29R and CON290 search enquiry charges. It should be noted that these increases take account of any one-off increases during the period when charges were not regularly reviewed, to avoid double-counting.	19.40%
